PROFESSIONAL SUMMARY

Finance postgraduate (PGDM Finance, IMT Ghaziabad, 2024 to 2026), currently working as a Senior Research Fellow at Campus Consortium Foundation. I have prior internship experience in investment research and valuation at an international family office, along with financial planning and analysis experience in Dubai and India. Comfortable with company and sector research, financial statement analysis, financial modelling and valuations, and I enjoy turning research into clear investment notes. Looking to build a long term career in Asset Management, Hedge Funds, Private Equity or Private Credit.

EXPERIENCE

Senior Research Fellow, Campus Consortium Foundation (CCF) *Jul 2026 – Present | Gurugram, India*

- Research investment opportunities and evaluate funds across AI, EdTech, Higher Education and Enterprise Software, supporting PMS strategy reviews, trust portfolio decisions and prospective LP fund evaluations.
- Write CCF's White Papers, Impact Reports and Definitive Guides, including a case study on Bethune-Cookman University and two guides for the BlackBeltHelp workstream.
- Developed 6 EdTech business ideas targeting $30M ARR across the US, India and cross-border markets, and maintain a tracker of fintech and AI funds to support screening.
- Build outreach lists of HR and leadership contacts across NCR technology, logistics and corporate companies, and support CCF's research documentation on SharePoint.

Research Analyst Intern, Regarde Familia (International Family Office) *2026 | Remote*

- Researched and evaluated PMS, AIF and mutual fund strategies, benchmarking managers and portfolios to support investment decisions.
- Studied high growth sectors such as Carbon Nanotubes, Graphene and Advanced Materials, and wrote investment reports for senior stakeholders.
- Prepared due diligence notes and investment questionnaires, and joined meetings with VC firms and fund managers to gather market insights.

Finance Intern, Bright Dynamics IT Consultancy LLC *May to Aug 2025 | Dubai, UAE*

- Built financial models and venture budgets using cash flow forecasts, break even analysis and working capital reviews.
- Prepared FP&A and management reporting packages for senior leadership to support capital budgeting decisions.
- Designed Excel dashboards with VLOOKUP, pivot tables and macros for budget tracking and data consolidation.

KEY PROJECTS

Equity Research: Apollo Tyres and Devyani International

- Built an investment thesis for both companies based on industry structure, competitive position and growth drivers.
- Analysed the companies using over 10 financial ratios, and applied DCF, EV/EBITDA and P/E valuation methods.
- Benchmarked them against sector peers and presented a final investment recommendation with a target price range.

Sales Analytics Dashboard (Tableau)

- Designed Tableau dashboards on over 10,000 transactions to highlight revenue drivers, customer segments and key business KPIs.

EDUCATION

PGDM (Finance), Institute of Management Technology (IMT), Ghaziabad *2024 – 2026*

BBA (Finance), Maharishi Arvind University, Jaipur *2020 – 2023*

POSITIONS OF RESPONSIBILITY

- Senior Research Analyst, Campus Consortium Foundation (CCF): lead and manage a team of 10 research interns, overseeing research assignments, quality and deliverables, and author research papers published on the CCF website.
- Co-Founder and Finance Lead, Leadership Club, IMT Ghaziabad: co-founded the club and managed event budgets, financials and execution of campus initiatives.
- Captain, IMT Ghaziabad Cricket Team: led the institute cricket team and coordinated preparation, strategy and match execution.
